#### **Ready for Carriage conditions**

If one or more conditions below are not full-filled the not ready for carriage (NRFC) fee will be applicable:

a. Before offering the consignment, the ground handler has received a correct and complete electronic Air Waybill (e-AWB), in accordance with the IATA TACT rules and the technical specifications IATA cargo IMP (FWB).

b. The consignment is offered together with the Air Waybill (except E-freight) and is compliant with all customs formalities.

c. The consignment is offered palletized in one lot on the floor of the shed or at the rear of the truck.

Exception: The consignment is a ULD and mentioned as such on the Air Waybill.

d. The consignment has to be delivered in such a way that can be verified that the pieces, the weight and all labels are in accordance with the Air Waybill. The consignment must also be controllable on damage and in accordance with the IATA Dangerous Goods Regulations.

e. The security status of the consignment is SPX or SCO in accordance with the current EU regulations.
